

October 20, 2026

Dear Colleague,

Subject: Invitation to StateSys 2026

On behalf of the StateSys 2026 organizing committee, I am pleased to invite you to attend the First Workshop on State Management in Modern Parallel and Distributed Systems (StateSys 2026) and present your accepted paper. Your contribution will add to the workshop's discussion of state management in modern parallel and distributed systems.

The workshop brings together researchers and practitioners to exchange ideas on state access, scheduling, migration, reuse, and memory-aware system design. It is co-located with the 2026 ACM SIGOPS Annual Technical Conference (ATC 2026).

StateSys 2026 will take place on Sunday, November 15, 2026, from 1:30 p.m. to 5:30 p.m. Hong Kong time (UTC+8), at Regency Ballroom I, Hyatt Regency Hong Kong, Sha Tin, Hong Kong.

StateSys 2026 is a non-archival workshop. No proceedings will be published, and authors remain free to submit their papers to other venues.

Further information is available at <https://workshop.sage.org.ai/>. Please contact me at shuhao_zhang@hust.edu.cn if you have any questions.

I hope you will be able to join us. I look forward to welcoming you to Hong Kong and to your participation in StateSys 2026.

Yours sincerely,

Shuhao Zhang

On behalf of the StateSys 2026 Organizing Committee
